DANIEL S. PUTMAN

Curriculum Vitae, April 27, 2026. [Most recent version.](#)

- Employment**
- Michigan State University** (2025-)
Assistant Professor, Department of Agricultural, Food, and Resource Economics and the
Department of Media and Information
- University of Pennsylvania** (2022-2025)
Postdoctoral Researcher, Center for Social Norms and Behavioral Dynamics
- Innovations for Poverty Action** (2020-2022)
Postdoctoral Fellow, Consumer Protection Research Initiative
- Education**
- University of California, Davis**
Ph.D., Agricultural and Resource Economics (2020)
M.S., Agricultural and Resource Economics (2019)
- University of Wisconsin-Eau Claire**
B.A., Economics, Mathematics (2013)
- Peer-Reviewed Publications**
- Putman, D.S. [Sharing Covariate Risk in Networks: Theory and Evidence from Ghana.](#)
Accepted at *Economic Development and Cultural Change*.
- Putman, D.S. 2025. [Social Network Structure and the Radius of Risk Sharing.](#) *Social Network Analysis and Mining*.
- Barriga-Cabanillas, O., J. Blumenstock, T.J. Lybbert, D.S. Putman. 2025. [Probing the Limits of Mobile Phone Metadata for Poverty Prediction and Impact Evaluation.](#) *Journal of Development Economics*.
- Under Review**
- Huntington-Klein, N., C. Pörtner, and many others. [The Sources of Researcher Variation in Economics.](#) Revise & Resubmit at the *Journal of Economic Literature*.
- Bicchieri, C., K. Vallier, M. Movahed, D.S. Putman, S. Lahiri, N. Ghosh[†]. **Trust, Norms, and Poverty in America.**
- Putman, D.S. and T.N. Tolhurst. [Tackling Endogeneity: Estimating Optimal Pass Rate in the NFL Using Instrumental Variables.](#)

Working Papers	Byrne, S. [†] , D.S. Putman, M. King, C. Jang. Navigating the Rise in Non-Institutional Digital Fraud: An Experiment with Micro Enterprises in Nigeria.
	Putman, D.S. and T.J. Lybbert Port-Au-Prince Calling: Social Network Response to Social Unrest using Mobile Phone Metadata in Haiti.
	Putman, D.S. Digital Credit Market Monitoring with Administrative Data: Evidence from a Collaboration with the Competition Authority of Kenya.
In Progress	Putman, D.S., C. Bicchieri, K. Vallier, M. Movahed, S. Lahiri, I. Davis [†] , N. Ghosh [†] . Subjective Income Expectations Elicitation: Evidence from a Survey Experiment.
	Bicchieri, C., K. Vallier, D.S. Putman, M. Movahed, S. Lahiri. Social Norms of Educational Attainment.
	Deshpande, A. [†] , M. King, and D. Putman. Strategies for Reducing Fraud Susceptibility and Building Trust in Digital Market Platforms: Evidence from Nigeria.
	Feng, N., L. Liang [†] , D.S. Putman, and J. Guo [†] . Decomposing Effects of Social Capital in Occupational Mobility: a Network Approach.
	Rudder, J., D.S. Putman, and P. Chawla [†] . Supply Chain Networks and Diffusion of Shocks in Rural Markets.
	Putman, D.S. Robust Inference for Audit Studies.
<u>Underline</u> indicates a graduate student at Michigan State University and [†] indicates a research assistant or a graduate student at another university.	
Policy Publications	Putman, D.S. 2022. Translating Digital Credit Transaction Data into Consumer Protection Supervision: A Toolkit. <i>Innovations for Poverty Action.</i>
	Putman, D.S., R.K. Mazer, W. Blackmon. 2021. Report on the Competition Authority of Kenya Digital Credit Market Inquiry. <i>Innovations for Poverty Action.</i>
	Lew, D.K, D.S. Putman, and D.M. Larson. 2016. Attitudes and Preferences Toward Pacific Halibut Management Alternatives in the Saltwater Sport Fishing Charter Sector in Alaska: Results from a Survey. <i>NOAA Technical Memorandum.</i> No. NMFS-AFSC-326.
Teaching Experience	Michigan State University Department of Agricultural, Food, and Resource Economics <i>Instructor</i> , Microeconomic Analysis (Master's Level): 2025 Fall
	Michigan State University Department of Media and Information <i>Instructor</i> , Information and Communication Technologies and Development: 2026 Spring

University of Pennsylvania Politics, Philosophy, and Economics Department

Instructor, Center for Social Norms and Behavioral Dynamics Research Seminar
(Undergraduate Research Mentoring): 2023 Fall, 2024 Spring

University of California, Davis Department of Agricultural and Resource Economics

Instructor, Microeconomics of Development: 2019 Summer Session 1

Teaching Assistant, Microeconomics of Development: 2014 Fall, 2016 Spring, 2016
Summer Session 1, 2018 Fall, 2019 Winter, 2019 Spring, 2019 Fall, 2020 Winter

Teaching Assistant, Intermediate Microeconomics: 2014 Summer Session 1

Honors, Grants
& Fellowships

2021 IPA Consumer Protection Research Initiative Grant (\$345,000)

2017 Erika C. Meng Award Scholarship for Development Policy (\$5000)
Henry A. Jastro Research Award (\$3000)

2015 Departmental Fellowship, UC Davis Agricultural and Resource Economics

2012 Travel Award, Southern Economics Association Conference

2011 Kappa Mu Epsilon

2010 Gerald and Mary Jacobson Economics Scholarship, UW-Eau Claire
Omicron Delta Epsilon

Presentations

2025 Midwest International Economic Development Conference (Champaign, IL), Southern
Economics Association Annual Meeting (upcoming, Tampa, FL)

2024 Midwest International Economic Development Conference (Chicago, IL), Federal
Reserve Bank of Philadelphia (Philadelphia, PA), Swarthmore College (Swarthmore,
PA), International Conference on Computational Social Science (two posters, Philadelphia,
PA), IPA & Northwestern GPRL Researcher Gathering (Evanston, IL), IPA Consumer
Protection Innovation Exchange (Nairobi, Kenya), Philosophy, Politics, and Economics
Society (New Orleans, LA), Michigan State University (East Lansing, MI), University
of Pennsylvania PDRI-DevLab Seminar (Philadelphia, PA)

2023 NoBeC Talks Early Career Researcher (virtual), SICSS Penn (Philadelphia, PA), IPA &
Northwestern GPRL Researcher Gathering (Evanston, IL), University of Pennsylvania
PDRI-DevLab Seminar (Philadelphia, PA), North East Universities Development Consortium
(Cambridge, MA)

2022 IPA Consumer Protection Practitioner's Forum (virtual), World Bank and Center for
Effective Global Action Measuring Development Conference (Washington, DC)

2021 Conference on Network Science and Economics (poster, virtual), Competition Authority
of Kenya (virtual), Bill & Melinda Gates Foundation FAIR Working Group (virtual),
IPA & Northwestern GPRL Researcher Gathering (virtual), Center for Financial Inclusion

Financial Inclusion Week (virtual), University of California, Davis Development Workshop (virtual)

2020 Pacific Conference for Development Economics (virtual, planned for Berkeley, CA), International Conference on Computational Social Science (declined due to move to virtual pre-recorded), Agricultural & Applied Economics Association Annual Meeting (virtual)

2018 Annual Giannini Agricultural & Resource Economics Student Conference (Berkeley, CA)

2013 National Conference on Undergraduate Research (La Crosse, WI)

2012 Wisconsin Economics Association (Stevens Point, WI), University of Wisconsin System Symposium on Undergraduate Research (Whitewater, WI)

2011 Wisconsin Economics Association (Stevens Point, WI)

Popular Press & Blogs Blackmon, W., R.K. Mazer, N. Mwarania, and D.S. Putman. 2021. “New Consumer Protection and Competition Policies Are Needed for Kenya’s Digital Credit Market.” *IPA Blog*

Blackmon, W., F. Cuccaro, A. Holzinger, R.K. Mazer, W. Ngwabe, and D.S. Putman. 2021. “From the Field to Policy Formulation – How Research is Informing Consumer Protection in Sierra Leone.” *IPA Blog*

Research Experience *Replicator*, Many Economists Project
Research Fellow, University of Pennsylvania Center for Social Norms and Behavioral Dynamics: Examining Poverty’s Roots within U.S. Communities

Co-Principal Investigator. A Digital Bridge Over Troubled Waters: Strategies for Reducing Non-Institutional Fraud and Building Trust in a Digital Market Platform

Co-Principal Investigator: Measuring Phishing Fraud Prevalence in IPA Countries

Principal Investigator: Analysis of Transaction Data to Monitor Consumer Risks in Digital Credit (in collaboration with the Competition Authority of Kenya). 2020-2021.

Consultant, the Agricultural and Applied Economics Association: research assistance on “American Journal of Agricultural Economics Volume 100: A Century of Publishing the Frontiers of the Profession,” Summer 2018

Graduate Student Researcher, University of California, Davis Department of Agricultural and Resource Economics

2016-2018: Evaluating the Impact of World Food Program’s Emergency Operation Cash Transfer on Haitian Households (with Travis Lybbert):

Summer 2016: Lotto Linked Savings Accounts in Haiti (with Travis Lybbert):

2015-2016: NOAA Halibut Catch Sharing Project Survey (with Doug Larson and Daniel Lew)
