

DANIEL S. PUTMAN

Curriculum Vitae, February 11, 2025. [Most recent version.](#)

- Employment**
- University of Pennsylvania** (2022-present)
Postdoctoral Researcher, Center for Social Norms and Behavioral Dynamics
- Innovations for Poverty Action** (2020-2022)
Postdoctoral Fellow, Consumer Protection Research Initiative
- Education**
- University of California, Davis**
Ph.D., Agricultural and Resource Economics (2020)
Fields: Development Economics, Econometrics
Dissertation: Social Network Structure and Risk in the Developing World
M.S., Agricultural and Resource Economics (2014)
- University of Wisconsin-Eau Claire**
B.A., Economics, Mathematics (2013)
Magna Cum Laude, University Honors Program
- Peer-Reviewed Publications**
- [Probing the Limits of Mobile Phone Metadata for Poverty Prediction and Impact Evaluation.](#) Barriga-Cabanillas, O., J. Blumenstock, T.J. Lybbert, D.S. Putman; Forthcoming at the *Journal of Development Economics*.
- Under Review**
- [Social Network Structure and the Radius of Risk Sharing.](#) Putman, D.S.
Revise & Resubmit at *Social Network Analysis and Mining*.
- [Sharing Covariate Risk in Networks: Theory and Evidence from Ghana.](#)
Putman, D.S.
- [Navigating the Rise in Non-Institutional Digital Fraud: An Experiment with Micro Enterprises in Nigeria.](#) Byrne, S., D.S. Putman, M. King, C. Jang.
- Working Papers**
- [Port-Au-Prince Calling: Social Network Response to Social Unrest using Mobile Phone Metadata in Haiti.](#) Putman, D.S. and T.J. Lybbert;
- [Digital Credit Market Monitoring with Administrative Data: Evidence from a Collaboration with the Competition Authority of Kenya.](#)
Putman, D.S.

The Element of Surprise: An Instrumental Variables Approach for Identifying Usage Curves in Professional Football. Putman, D.S. and T.N. Tolhurst.

In Progress	The Sources of Researcher Variation in Economics. Huntington-Klein, N., C. Pörtner, and many other co-authors.
	Subjective Income Expectations Elicitation: Evidence from a Survey Experiment. Putman, D.S., C. Bicchieri, K. Vallier, M. Movahed, S. Lahiri, A. Shpenev.
	Robust Inference for Audit Studies. Putman, D.S.
	Decomposing Effects of Social Capital in Occupational Mobility: a Network Approach. Feng, N., L. Liang, D.S. Putman, and J. Guo.
Policy Publications	Translating Digital Credit Transaction Data into Consumer Protection Supervision: A Toolkit. Putman, D.S.; <i>Innovations for Poverty Action</i> (2022).
	Report on the Competition Authority of Kenya Digital Credit Market Inquiry. Putman, D.S., R.K. Mazer, W. Blackmon; <i>Innovations for Poverty Action</i> (2021).
	Attitudes and Preferences Toward Pacific Halibut Management Alternatives in the Saltwater Sport Fishing Charter Sector in Alaska: Results from a Survey. Lew, D.K, D.S. Putman, and D.M. Larson; <i>NOAA Technical Memorandum</i> . No. NMFS-AFSC-326 (2016).
Teaching Experience	University of Pennsylvania Politics, Philosophy, and Economics Department: <i>Instructor</i> , Center for Social Norms and Behavioral Dynamics Research Seminar (Undergraduate Research Mentoring): 2023 Fall, 2024 Spring
	University of California, Davis Department of Agricultural and Resource Economics: <i>Instructor</i> , Microeconomics of Development: 2019 Summer Session 1 <i>Teaching Assistant</i> , Microeconomics of Development: 2014 Fall, 2016 Spring, 2016 Summer Session 1, 2018 Fall, 2019 Winter, 2019 Spring, 2019 Fall, 2020 Winter <i>Teaching Assistant</i> , Intermediate Microeconomics: 2014 Summer Session 1
Honors, Grants & Fellowships	2021 IPA Consumer Protection Research Initiative Grant (\$345,000)
	2017 Erika C. Meng Award Scholarship for Development Policy (\$5000) Henry A. Jastro Research Award (\$3000)
	2015 Departmental Fellowship, UC Davis Agricultural and Resource Economics

2012 Travel Award, Southern Economics Association Conference

2011 Kappa Mu Epsilon

2010 Gerald and Mary Jacobson Economics Scholarship, UW-Eau Claire
Omicron Delta Epsilon

- Presentations
- 2025 Midwest International Economic Development Conference (upcoming, Champaign, IL)
- 2024 Midwest International Economic Development Conference (Chicago, IL), Federal Reserve Bank of Philadelphia (Philadelphia, PA), Swarthmore College (Swarthmore, PA), International Conference on Computational Social Science (two posters, Philadelphia, PA), IPA & Northwestern GPRL Researcher Gathering (Evanston, IL), IPA Consumer Protection Innovation Exchange (Nairobi, Kenya), Philosophy, Politics, and Economics Society (New Orleans, LA), Michigan State University (East Lansing, MI), University of Pennsylvania PDRI-DevLab Seminar (Philadelphia, PA)
- 2023 NoBeC Talks Early Career Researcher (virtual), SICSS Penn (Philadelphia, PA), IPA & Northwestern GPRL Researcher Gathering (Evanston, IL), University of Pennsylvania PDRI-DevLab Seminar (Philadelphia, PA), North East Universities Development Consortium (Cambridge, MA)
- 2022 IPA Consumer Protection Practitioner's Forum (virtual), World Bank and Center for Effective Global Action Measuring Development Conference (Washington, DC)
- 2021 Conference on Network Science and Economics (poster, virtual), Competition Authority of Kenya (virtual), Bill & Melinda Gates Foundation FAIR Working Group (virtual), IPA & Northwestern GPRL Researcher Gathering (virtual), Center for Financial Inclusion Financial Inclusion Week (virtual), University of California, Davis Development Workshop (virtual)
- 2020 Pacific Conference for Development Economics (virtual, planned for Berkeley, CA), International Conference on Computational Social Science (declined due to move to virtual pre-recorded), Agricultural & Applied Economics Association Annual Meeting (virtual)
- 2018 Annual Giannini Agricultural & Resource Economics Student Conference (Berkeley, CA)
- 2013 National Conference on Undergraduate Research (La Crosse, WI)
- 2012 Wisconsin Economics Association (Stevens Point, WI), University of Wisconsin System Symposium on Undergraduate Research (Whitewater, WI)
- 2011 Wisconsin Economics Association (Stevens Point, WI)

Popular Press & Blogs	“New Consumer Protection and Competition Policies Are Needed for Kenya’s Digital Credit Market.” Blackmon, W., R.K. Mazer, N. Mwarania, and D.S. Putman; <i>IPA Blog</i> (2021) “From the Field to Policy Formulation – How Research is Informing Consumer Protection in Sierra Leone.” Blackmon, W., F. Cuccaro, A.Holzinger, R.K. Mazer, W. Ngwabe, and D.S. Putman; <i>IPA Blog</i> (2021)
Research Experience	<i>Replicator</i>, Many Economists Project <i>Research Fellow</i>, University of Pennsylvania Center for Social Norms and Behavioral Dynamics: Examining Poverty’s Roots within U.S. Communities <i>Co-Principal Investigator</i>. A Digital Bridge Over Troubled Waters: Strategies for Reducing Non-Institutional Fraud and Building Trust in a Digital Market Platform <i>Co-Principal Investigator</i>: Measuring Phishing Fraud Prevalence in IPA Countries <i>Principal Investigator</i>: Analysis of Transaction Data to Monitor Consumer Risks in Digital Credit (in collaboration with the Competition Authority of Kenya). 2020-2021. <i>Consultant</i>, the Agricultural and Applied Economics Association: research assistance on “American Journal of Agricultural Economics Volume 100: A Century of Publishing the Frontiers of the Profession,” Summer 2018 <i>Graduate Student Researcher</i>, University of California, Davis Department of Agricultural and Resource Economics 2016-2018: Evaluating the Impact of World Food Program’s Emergency Operation Cash Transfer on Haitian Households (with Travis Lybbert): Summer 2016: Lotto Linked Savings Accounts in Haiti (with Travis Lybbert): 2015-2016: NOAA Halibut Catch Sharing Project Survey (with Doug Larson and Daniel Lew)
Affiliations	<i>Fellow</i>, Penn Development Research Initiative-DevLab (2022-present) <i>Postdoctoral Affiliate</i>, IPA Applied Research & Methods Group (2022)
Professional Service	Referee: <i>American Journal of Agricultural Economics</i>, <i>Applied Economics Letters</i>, <i>Journal of Economic Behavior and Organization</i>, <i>Current Opinion in Psychology</i> Conference planner: 2021 Consumer Protection Research Gathering, 2017 Annual Giannini Agricultural & Resource Economics Student Conference

Conference reviewer: International Conference on Computational Social Science (2024, 2025), Agricultural & Applied Economics Association Annual Meeting (2024, 2025), Pacific Conference for Development Economics (2018)

Associations	American Economics Association, Agricultural and Applied Economics Association
Summer School	2023 Summer Institute for Computational Social Science at Penn
Skills	R, L ^A T _E X, Stata, SurveyCTO, Python, GitHub
Languages	English (Native), Spanish (Basic), French (Basic)
